**Notice of Acceptance and Schedule, 41st COSPAR Scientific Assembly, 30 July – 07 August
2016, Istanbul, Turkey**

Dear **Mr. Ma**,

On behalf of the Council of the Committee on Space Research, I am pleased to inform you that your contribution to the 41st COSPAR Scientific Assembly entitled: "**Readout Electronics for BGO Calorimeter of DAMPE: Status during the First Half-year after Launching**" has been accepted and scheduled for an oral presentation in scientific event **H0.4**, Lecture Room 3B07 on Sunday, July 31, 2016, 10:30-11:00 (30 min).

For the overall program and details of your scientific event, please consult the Assembly website at:
<https://www.cospar-assembly.org>.

Inclusion of your paper in the conference program carries with it the obligation for you, or for one of your co-authors as the case may be, to display and/or to present the paper at the times and in the mode indicated. You are kindly requested to inform us if you and your co-authors find at any time before the Assembly that it is not possible to attend by logging into the website indicated above and selecting the "withdraw abstract" button next to the relevant paper(s) in the MyPapers area. You should also send a message to cospar@cospar-assembly.org and inform the H0.4 event organizer well in advance of the session.

In June the organizers will send authors instructions for oral presentations. These instructions will be posted in due time on the web at: <https://www.cospar-assembly.org>. Please be sure to read these instructions very carefully in order to facilitate preparation of your presentation and to help ensure that each event runs smoothly during the Assembly.

Presenters are encouraged to submit their completed manuscripts to one of COSPAR's journals, *Advances in Space Research* or *Life Sciences in Space Research*. There are no deadlines for submission as *ASR* and *LSSR* are regular journals. The web sites with instructions for authors and for submissions are <http://ees.elsevier.com/asr> and <http://ees.elsevier.com/lssr>. Information is also available on the COSPAR web site and at the Istanbul Assembly.

Your COSPAR Assembly presentation number is **H0.4-0003-16**. This is the final number for your presentation. Papers submitted to *ASR* or *LSSR* will be assigned a journal number that will be different from the COSPAR presentation number.

Please feel free to volunteer as chairperson for one of the sub-sessions of your event where you are not a speaker if the web indicates this position is not yet filled by the Main Scientific Organizer. If you wish to volunteer, kindly inform the event organizers and ZARM (cospar@cospar-assembly.org) by 13 June 2016.

If you have questions concerning visas, please refer to the website of the Local Organizing Committee (<http://cospar2016.tubitak.gov.tr/en/VISA-AND-TRAVEL-INFORMATION.html>) and if necessary contact register.cospar2016@tubitak.gov.tr. All participants who need visas are reminded to apply for their travel documents as soon as possible.

If you need this message in letter format, please print this PDF file.

We wish you a pleasant journey to Istanbul and are looking forward to seeing you at the Assembly.

Yours sincerely,

Dr. Jean-Louis Fellous
COSPAR Executive Director
